

IN THE SPECIFICATION

Please substitute the attached ST25 sequence listing and computer readable copy thereof for the sequence listing now in the application. The replacement sheets and computer readable copy thereof are identical. The replacement sheets and computer readable copy thereof also are identical to the sequence listing of US 60/455,705 filed 2003-03-17 and PCT/US04/08129. The ST25 replacement sheets and computer readable copy thereof contain no new matter.
